

# Indranil Chakraborty

## Know your Facilitator!

Indranil Chakraborty (IC) helps leaders and organisations harness the natural power of stories to make key messages like vision, value, strategy, and change communication stick with their employees. Other powerful uses he puts business storytelling to, are in diverse areas like employee engagement, knowledge management and behavior change.

## Spotlight Areas:

Here are two engaging webinars that IC runs for our customers.

- ▶ Storytelling for Leaders
- ▶ Story Powered Sales

### Time Limit

120 minutes each

### Formats

Interactive Webinar

### Group size

20

Possible

## Is this Masterclass right for my team?

The right story said at the right time can be hugely impactful. When it comes to teaching learners how to use stories in a powerful way in their business life, IC is perhaps the best teacher available in India today. Because of the comprehensive manner in which it is structured with webinars, practice sessions, feedback and real life application – this is perhaps one of the best courses available in this format for storytelling.
