

# Prakash Iyer

## Know your Facilitator!

Prakash Iyer is an independent business advisor with over 30 years of solid, hands-on experience in building businesses and developing leaders in India and overseas. Apart from coaching CEOs, advising leadership teams and speaking to - and inspiring - large teams, Prakash also serves as an advisor to Multiples – a billion dollar PE fund.

## Spotlight Areas:

Here are a few compelling topics that Prakash talks about on a regular basis in his engagements.

- ▶ The Habit of Winning - What makes teams win
- ▶ Unleashing the leader within - helping people become better leaders
- ▶ People-centric leadership: Becoming an inspirational leader
- ▶ Leadership when the chips are down: Overcoming adversity
- ▶ Top Team Effectiveness: Helping leadership teams get it right
- ▶ Lessons from Sport - for the larger game of life

## Is this Masterclass right for my team?

Prakash Iyer is a very persuasive teacher. In the same manner that he has written his three best selling books, his sessions filled with anecdotes and his own experiences of holding senior positions in his corporate life, makes his sessions very relatable – and not just theoretical.
