

Rhea Mazumdar Singhal

Know your Facilitator!

Rhea is the founder & CEO of India's first and largest environmentally sustainable packaging company. She is also a World Economic Forum 'Young Global Leader,' and was honored with the Nari Shakti Puraskar in 2019, which is the highest civilian honor for women in India. A thought leader in the field of ESG, Rhea brings in practical experience in taking an environmentally-sustainable and profitable entrepreneurial journey. She speaks in her masterclass about how individuals, with their entrepreneurial initiatives, can create a world-changing impact.
